Lady Maccabees Install.

It was a merry-making time with the ladies on Wednesday. A load of sixteen went out to Rev. Matthews' to Methodist Ladies' Aid Society and another load of fifteen out to Peter Lanway's to the Equity Society. In the evening they turned out over one hundred strong in the Maccabee hall, the occasion being the installing of the newly elected officers of Soronia Hive No. 452 L. O. T. M. M. Deputy Great Commander Jennie Watson of Frankfort, officiated and Great Mistress-at-arms Keenholts, with her color bearers, helped to make the work very effective. The officers for the new year are:

Com.—Mary Smith
Past Com.—Eva Kenney
Leut. Com.—Lillian Brabant
R. K.—Christine Sheldon
F. K.—Elva Barrie
Chaplain—Jennie Goodman
Sergeant—Ida St. John
Mistress-at-arms—Mar Miles
Sentinel—Caroline Williams
Picket—Celia Danto

Rose MacArthur played the march during the installation. Great Chaplain Leora Madison invoked the divine blessing with impressive solemnity. The charge given by Deputy Watson was also impressive. Immediately after the close of the work Miss Fay Nicholas played "Massa's in de Cold Cold Ground," and Uncle Hiram. Mrs. W. J. Smith read a humorous selection, "The Jiners" and recited "A Telling Point." The treble cleft quartet, Misses Marion Malpass, Hazel Stevens, Erma Hurlbert and Fay Nicholas, sang "In the Gloom" and "The Old Folks at Home." Deputy Watson then gave a short talk which was listened to with great interest. In part she said twenty-three years ago in Muskegon the L. O. T. M. M. was organized after several petitions to the great camp, as they were refused when first the subject was approached to them—the camp thinking women not capable to carry on so great a work, now the order is 83,000 strong and still the good work is going on. They have paid 400 disability claims; twelve years ago they began paying old age claims and now 169 are being paid. At first the work was only in our own state, now it reaches out in nineteen states. Another feature of the work is the free beds; one in Grace Hospital, Detroit; in Butteworth Hospital, Grand Rapids; and a hospital where the sick members are cared for free of charge in Illinois. They have paid out in the twenty-three years \$4,000,000 in death claims. Space will not permit all the interesting thoughts she gave, but we are glad of her coming among us as she has left an influence for good to all who heard her and the inspiration will be waited in the air around us. We would not forget the bountiful repast served, and the annual closing with the tripping of the light fantastic in the charming Virgilia reel.—Poinsetta.

Hundreds of Readers Will Appreciate It.

Now is the time when the doctor gets busy, and the patent medicine manufacturers reap the harvest, unless great care is taken to dress warmly and keep the feet dry. This is the advice of an old eminent authority, who says that Rheumatism and Kidney trouble weather is here, and a so tells what to do in case of an attack. Get from any good prescription pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Mix by shaking in a bottle and take a teaspoonful after each meal and at bedtime.

Just try this simple home-made mixture at the first sign of Rheumatism, or if your back aches or you feel that the kidneys are not acting just right. This is said to be a splendid kidney regulator, and almost certain remedy for all forms of Rheumatism, which is caused by uric acid in the blood, while the kidneys fail to filter out. Any one can easily prepare this at home and at small cost.

Druggists in this town and vicinity, when shown the prescription, stated that they can either supply these ingredients, or, if our readers prefer, they will compound the mixture for them.

If your Stomach, Heart, or Kidneys are weak, try at least, a few doses only of Dr. Shoop's Restorative. In five or ten days only, the result will surprise you. A few cents will cover the cost. And here is why help comes so quickly. Dr. Shoop doesn't drug the stomach, nor stimulate the heart or kidneys. Dr. Shoop's Restorative goes directly to the weak and failing nerves. Each organ has its own controlling nerve. When these nerves fail, the depending organs must of necessity falter. This plain, yet vital truth, clearly tells why Dr. Shoop's Restorative is so universally successful. Its success is leading druggists everywhere to give it universal preference. A test will surely tell. Sold by James Gidley.

The Pennies in the Box

I'm Uncle Sam's most favored pet,
I'm hearty and I'm hale;
I've nothing in this world to do
But glide around with the mail:
But one thing almost breaks my heart
And my nervous system shocks;
It's the everlasting pennies
That I'm fishing from the box.
I carry stamps and envelopes,
And postal cards and such;
And I would like to sell a few—
'Twould please me very much;
But a man can't sell unless you buy,
No matter how he talks;
So I have to keep on diving
After pennies in the box.
It's alright in the springtime,
Or when the summer breezes blow;
But a different proposition
When it's 32 below;
When all your fingers and your toes
Are frozen hard as rocks,
It's anything but funny
Fishing pennies from the box.
And now quite confidentially,
I'll tell you something more;
A rural carrier (way out west)
Forgot himself and swore;
Said he: "I can stand the snow drifts
I can stand the frozen locks,
But blast the measly pennies
In the blasted measly box."
When the "roll is called up yonder"
And we all shall gather there,
They wouldn't let a mail man in
If they knew he'd learned to swear;
If you want St. Peter to open the gate
When your rural carrier knocks,
Buy stamps and don't be gully
Of putting pennies in the box.
—Exchange.

Ladies' Equity Notes.

The local convention held on Jan. 12 at Mrs. Frank Kidder's in Echo was successful and gave us a glimpse into the future of what the farm women can do when they become interested in their society. Thirty-two members were present, three locals represented. The Forget-me-not local was the banner local in numbers, 14 members being present. Two fine banners made in the color becoming the flower name of the local, occupied conspicuous places and were decidedly pretty.

The program prepared for the day was well carried out. The following committees were at work: organization, by-laws, resolutions, grievance, local union work, and prices.

All but the grievance committee brought in good reports. Report on organization was read and adopted by sections. Discussion was lively on the section recommending a national union. This when well understood was unanimously adopted, also section recommending a state organization. Nine amendments to our by-laws were offered and adopted. Committee on local union work came with nine sections in their report. All were good and were adopted. Grievance committee made no report. Committee on prices gave in this report. Discussion followed showing that the ladies had this interest at heart and will take a united stand in their effort to secure fair prices, fair play. The prices named by the ladies are the lowest paying prices and along the true equity line.

Committee on resolutions read six sections in their report. These were all of great interest to our society and were all adopted, section 4 only being changed by leaving out the words A. S. of E.

A good paper was read by Mrs. Nellie Thompson on the success of women, followed by a short address filled with words of encouragement by Rev. John Hackett. Frank Kidder also made cheering remarks on our progress and order of our convention.

Officers elected for the next local convention were Mrs. Howey, Mrs. Sadie Crowell, Mrs. Alice Shepard, Mrs. Nellie Thompson. Closing prayer by Rev. John Hackett. Adjourned until April 13.

The fine dinner served was along the co-operative line and was unusually good, just like we will find co-operation in business affairs, when we are well organized.

Services at the Methodist church on Sabbath at 10:30 a. m. and 7 p. m. Sunday School at 12 o'clock. Junior League at 3 o'clock and Epworth League at 6 o'clock. All are cordially invited.

Of Interest To Women:

To such women as are not seriously out of health, but who have exacting duties to perform, either in the way of household cares or in social duties and functions, which seriously tax their strength, as well as to nursing mothers, Dr. Pierce's Favorite Prescription has proved a most valuable supporting tonic and invigorating nerve. By its timely use, much serious sickness and suffering may be avoided. The operating table and the surgeon's knife, would it be believed, seldom have to be employed if this most valuable woman's remedy were resorted to in good time. The "Favorite Prescription" has proven a great boon to expectant mothers by preparing the system for the coming of baby, thereby rendering childbirth safe, easy, and almost painless. Bear in mind, please that Dr. Pierce's Favorite Prescription is not a secret or patent medicine, against which the most intelligent people are quite naturally averse, because of the uncertainty as to their composition and harmless character, but is a medicine of known composition, a full list of all its ingredients being printed, in plain English, on every bottle wrapper. An examination of this list of ingredients will disclose the fact that it is non-alcoholic in its composition, chemically pure, triple-refined glycerine taking the place of the commonly used alcohol, in its make-up. In this connection it may not be out of place to state that the "Favorite Prescription" of Dr. Pierce is the only medicine put up for the cure of woman's peculiar weaknesses and ailments, and sold through druggists, all the ingredients of which have the unanimous endorsement of all the leading medical writers and teachers of all the several schools of practice, and that too as remedies for the ailments for which "Favorite Prescription" is recommended. A little book of these endorsements will be sent to any address, post-paid, and absolutely free if you request same by postal card, or letter, of Dr. R. V. Pierce, Buffalo, N. Y.
